This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 14th of September 2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Griffeen Valley Educate Together National School's (ETNS) admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

Griffeen Valley Educate Together NS is part of the Lucan Common Enrolment System (LCES) along with Adamstown Castle ETNS, Esker ETNS and Lucan East ETNS. All admissions will involve a centralised application to the four schools. Children are assigned to one of the four schools based on specific criteria.

The total number of places available for Junior Infants for each school year will be published on the LCES annual admissions notice. All applications received in the Lucan Common Enrolment System process will be offered a place or placed on a waiting list. Offers will be made based based on the agreed criteria of siblings and proximity between home and school.

The primary aim of this system is to promote inclusive local schools, to improve traffic management and mobility in Lucan and to encourage strong, integrated local communities.

2. Characteristic spirit and general objectives of the school

Educate Together schools are committed to the values laid down in Educate Together's Charter. Our schools are learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect. Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. It teaches students about different belief systems as well as atheism, agnosticism, and humanism, without promoting any one worldview over another. Our equality-based ethos informs all policies and practices in the daily life of the school. In exercising this policy making and decision-making responsibilities, the school's Manager/Board of Management upholds the characteristic spirit of the school.

Educate Together schools provide for equality of access in line with the Educate Together Charter and offers places to siblings enrolled in the school at the same time in the first instance.

The Boards of Management of each school in the LCES will determine the number of places that are available to offer through the LCES system in any given year. In the event that the participating schools are oversubscribed, the school Principals (on behalf of their respective BOMS) will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the LCES annual admission notice for Junior Infants.

Priority Category 1: Siblings

Applicant students who are siblings of children and enrolled in an individual school at the same time.

Priority Category 2: Proximity to the school

Proximity will be determined by reference to the distance between the applicant's house and the school as determined on the GCS (Geographic Coordinate System) in the area. An individual school will offer remaining places to the children who are in closest proximity to that school, in the order of proximity, as determined by the Aladdin data base.

Due to the close proximity of Griffeen Valley ETNS and Lucan East ETNS one GPS reference point (being the center point of the roundabout between the two schools) is used to allocate places randomly between these two schools.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), places will be offered or added to a waiting list by the earlier date of birth of the student.

8. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available in junior infants or other year groups, a waiting list of students whose applications for admission to LCES were unsuccessful due to the schools being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought

Placement on each school waiting list is formulated by the LCES. This list is in the order of priority assigned to the students' applications after LCES has applied the selection criteria in accordance with this admission policy see section 7 above. The LCES operates three waiting lists, based on the three GPS reference points; Adamstown Castle ETNS, Esker ETNS and Griffeen Valley/Lucan East ETNS.

Late applications will be added to the list and dealt with in accordance with Section 8 above.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Waiting lists will expire at the end of each school year.
